

**CATÁLOGO COMÚN****de variedades de especies de plantas hortícolas — Suplemento H 2023/4****(Texto pertinente a efectos del EEE)**

(2023/C 346/02)

1. El presente suplemento de la versión consolidada de 2022 del Catálogo común de variedades de especies de plantas hortícolas <sup>(1)</sup> recoge las modificaciones que ha sido necesario introducir para tener en cuenta la información que ha recibido la Comisión de los Estados miembros.
2. El presente suplemento mantiene la subdivisión que se adoptó en la versión consolidada. Es conveniente remitirse a las notas explicativas de dicha edición.
3. El presente suplemento abarca las notificaciones recibidas del 21 de junio al 31 de julio de 2023.
4. Las modificaciones introducidas en la versión consolidada se indican del modo siguiente:
  - (add.): indica una nueva posición introducida en el Catálogo común;
  - (mod.): indica que se ha modificado una posición existente; las indicaciones relativas a esta posición en el presente suplemento sustituyen a las que figuraban en la versión consolidada;
  - (del.): indica que se suprimen del catálogo común la posición y todas las indicaciones relativas a ella.
5. El presente suplemento se refiere a las variedades notificadas a las que se aplican las disposiciones establecidas en el artículo 16, apartado 1, de la Directiva 2002/55/CE del Consejo <sup>(2)</sup>.
6. Cuando el código de un encargado del mantenimiento no aparezca en la versión consolidada, su nombre y dirección podrán solicitarse a la autoridad indicada en la lista del Estado miembro o del país de la AELC correspondiente.
