

Rules for the submission of manuscripts

Manuscripts for the *Revista Española de Estudios Agrosociales y Pesqueros* (Spanish Journal for Agrosocial and Fisheries Studies) must follow these rules:

1. A full copy of the document should be sent in Word format to "Redacción de la Revista Española de Estudios Agrosociales y Pesqueros (REEAP), Ministerio de Agricultura, Pesca y Alimentación" by e-mail to redaccionReeap@mapama.es.
2. The journal's Editorial Office shall acknowledge receipt of the manuscript and assign it an entry number, which should be indicated on the authors' correspondence with the Editorial Office.
3. The author or authors must make a formal declaration stating that the works are unpublished and have neither been submitted nor are under evaluation for any other publications.
4. Manuscripts may be submitted in Spanish or English. A separate file should be included with a 150-word abstract in both languages containing the title, details of the aims, methods used, conclusions, keywords and first two-digit JEL classification.
5. The total length of the text, including graphs, tables, charts, notes and bibliography must be limited to approximately 25 pages for "studies" and 10 pages for "Notes", typed using double spacing with 300 words per page. Any text or symbols to be italicised should appear in this font style or underlined.

6. The following personal details should be provided in a separate file containing the article title reference: full name, profession, office and workplace of the author or authors, e-mail address, postal address and telephone.

7. References should be included in the text and indicate the name of the author (in lowercase), publication date (in brackets), distinguishing works published by a single author in the same year with a, b, c. These letters should be used in sequential order from the oldest to the most recently published work. At the end of work, a bibliography must list the references cited in the text, as illustrated by these examples:

Books: Jovellanos, G.M. de (1820): *Informe en el expediente de la Ley Agraria*.

Printed by I. Sancha. Madrid.

Contreras, J. (1977): "La explotación del patrimonio del Duque de Osuna" in M. Artola (ed.): *El latifundio (propiedad y explotación S. XVIII-XX)* 63-68. Ministerio de Agricultura, Pesca y Alimentación, Madrid.

Journals: Massot Martí A. (2003): "La reforma de la PAC 2003: hacia un nuevo modelo de apoyo para las explotaciones agrarias". *Revista española de Estudios Agrosociales y Pesqueros*, 199: 11-60.

8. All graphs, tables, charts, diagrams and other illustrations should be numbered on separate pages at the end of the article, indicating their title and source. In each case, the approximate position at which they should be inserted in the text should be given.

9. Once the work has been accepted by the Editorial Committee, it will be anonymously submitted to at least two external reviewers for their assessment, which reviewers will be chosen by the Committee based on their scientific standing (double-blind review process). In the light of their reports, the Committee shall decide whether to accept or reject the work.

10. If accepted for publication, the author/s will transfer the copyrights to the article to *Revista Española de Estudios Agrosociales y Pesqueros*. This will ensure mutual protection for both authors and publisher. The author or authors will be sent the first proofs and will have ten days in which to correct them. The article will then be published, incorporating any other editorial corrections deemed necessary by the Committee to improve the presentation of the work.

11. After publishing, the author will receive a PDF file of the article. The PDF file of the article will be available, as soon as possible, in this page: [https://www.mapa.gob.es/es/ministerio/servicios/publicaciones/Revista de Estudios.aspx](https://www.mapa.gob.es/es/ministerio/servicios/publicaciones/Revista_de_Estudios.aspx)
